- Russian intelligence
- the FBI
- the CIA
- a small team of regime change experts who worked for the CIA
- Oswald acted purely on his own

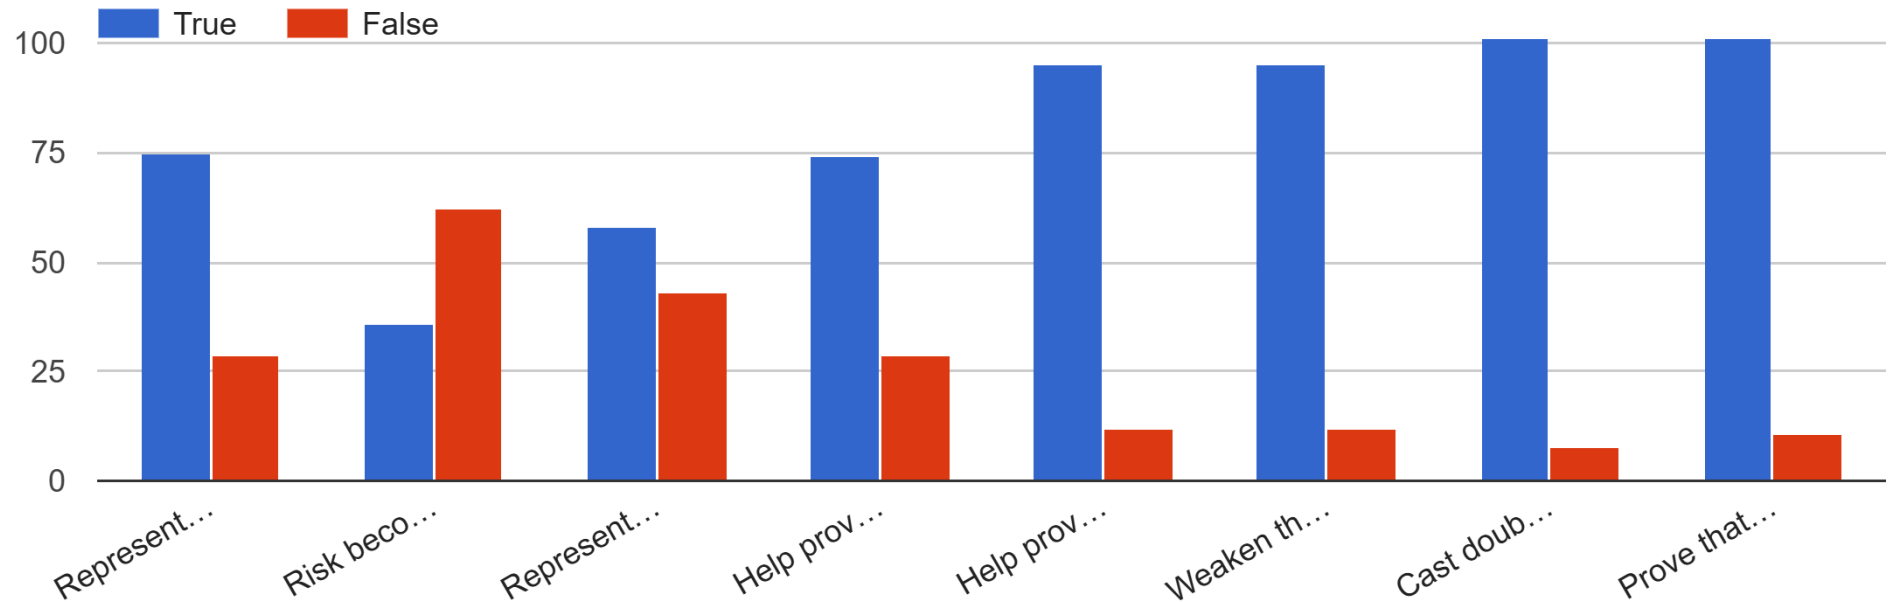

The goal of the Mexico City operation/incident was to

113 responses

- Set Oswald up as the lone assassin of JFK
- Make Oswald seem to be in cahoots with Cuban and Russian agents for the upcoming assassination
- Help Oswald gain entry to Cuba for some sort of intel mission
- Other

The revelations concerning George Joannides...

Represent a major breakthrough

Risk becoming more of a distraction from more important facts

Represent a turning point in how mainstream media will view the assassination

Help prove there was a conspiracy

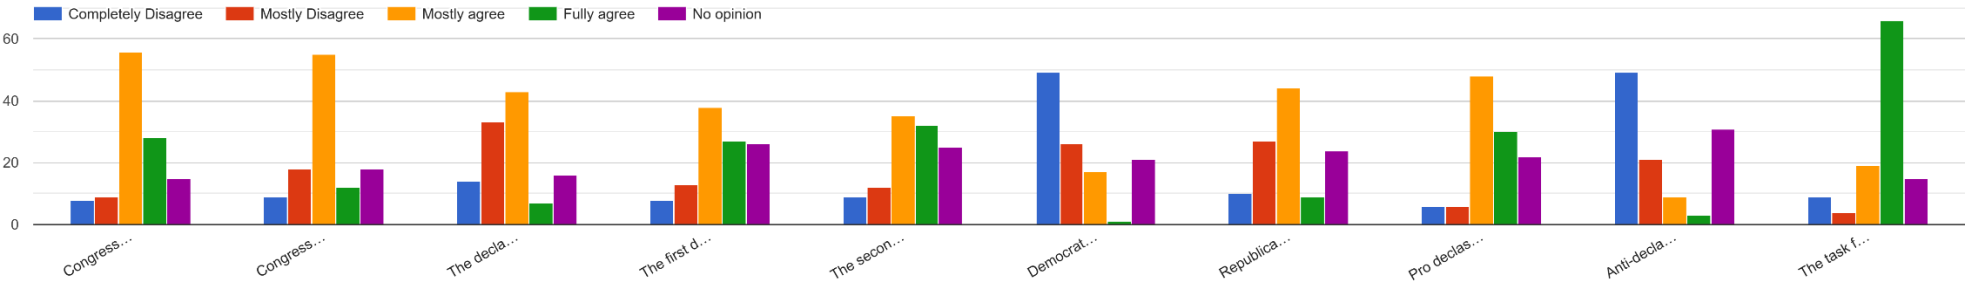

Help prove there was a coverup

Weaken the credibility of the lone nut scenario

Cast doubt on the seriousness of the Government investigations

Prove that the JFK assassination was never seriously investigated

Concerning the Luna Task Force pertaining to the JFK assassination only

- Congresswoman Luna has performed competently so far
- Congresswoman Luna is well advised
- The declassification of documents has rolled out satisfactorily
- The first day of hearings was useful
- The second day of hearings was useful
- Democrats representatives at the hearings have performed satisfactorily
- Republicans at the hearings have performed satisfactorily
- Pro declassification and conspiracy witnesses were overall convincing in their presentations
- Anti-declassification and/or conspiracy witnesses were compelling with their arguments
- The task force should recommend that the case be re-investigated by a fully independent and effective body

The Luna Task Force work has changed the following in my perceptions of the assassination
